

The background of the poster is a repeating pattern of architectural wireframe drawings. These drawings depict various interior spaces, including rooms, corridors, and staircases, rendered in a light purple line weight. Some of these wireframe spaces contain solid orange-colored planes or walls, creating a sense of depth and volume. In several of the wireframe rooms, there are small, stylized human figures in purple line art, engaged in activities like walking, standing, or looking at a device, which helps to scale the spaces and suggest their use.

reminders

Students are expected to attend the juries and follow the discussions on the designs presented by their classmates. It is further recommended that they attend juries held in other groups and classes as well.

Please be reminded that juries are final exams and that late-submissions will be evaluated accordingly.

Officially scheduled curricular activities at METU are required to be in English. Both students and jury members are kindly reminded of this requirement.
